Drug Facts

Active ingredient (in each tablet)	Purpose
Docusate Sodium 100 mg.....	Stool Softener Laxative

Uses • relieves occasional constipation (irregularity)
• generally produces bowel movement in 12 to 72 hours

Warnings

Ask a doctor before use if you • have stomach pain, nausea or vomiting • have a sudden change in bowel habits that persists over a period of 2 weeks • are presently taking mineral oil

Stop use and ask a doctor if • you need to use a laxative longer than 1 week • you have rectal bleeding or fail to have a bowel movement. These could be signs of a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of the reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.
