ByeByeOdor™

ByeByeOdor™ is a safe and economical deodorizer and air freshener for institutional, industrial, and household use. ByeByeOdor™ works instantly to neutralize bad odors, and prevents malodors from building up. Fresh fruit scent.

Directions

Deodorizing: Spray directly on the source of the odor, clean, then spray again. Excellent for colostomy bags, and in waste disposal units to prevent malodorous build-up.

Air Freshening: Spray towards center of room, or on walls and floors and around bed linens, urinals, and toilets.

Store at room temperature (59° - 86° F).
