OCuSOFT® Lid Scrub™

September 16, 2009

To Whom It May Concern:

In response to your request for Material Safety Data Sheets distributed by OCUsoft Inc., we would like you to refer to the Hazard Communication Standard section (b)(6)(vii) states that it does not apply to any drug, as that term is defined in the Federal Food, Drug, and Cosmetic Act, when it is in solid, final form for direct administration to the patient. Provided the tablets/capsules manufactured meet the stated criteria, the Hazard Communication Standard would apply. Section (b)(6)(viii) states that the act does not apply to cosmetics provided the cosmetics manufactured meet the stated criteria, the Hazard Communication Standard would apply. Should you need any further information, please do not hesitate to contact me directly at (800) 233-5469 ext. 1122.

Sincerely,

Michelle Thomas
Quality Control
