TAMPER EVIDENT: Do not use if imprinted seal under cap is missing or broken.

DIRECTIONS: Adults: take one (1) tablet daily with or after a meal as a dietary supplement, or as recommended by your physician.

Accidental overdose of iron containing supplements
is a leading cause of fatal poisoning in children under 6.

KEEP THIS PRODUCT OUT OF REACH OF CHILDREN

In case of accidental overdose, seek professional assistance or
contact a poison control center immediately.

WARNINGS: Do not exceed recommended dosage. The treatment of any anemic condition should be under the advice and supervision of a physician. Since oral iron products interfere with the absorption of oral tetracycline antibiotics, these products should not be taken within two hours of each other. **As with any supplement**, if you are pregnant, nursing, or taking medication, ask a health professional before use.

This product may occasionally cause constipation, diarrhea, or may color stool black. It may cause gastrointestinal discomfort (such as nausea) which may be minimized by taking with meals.
