Revision: 0 (first edition)

In an appropriate waste disposal container.

7. Handling and Storage

Handling: No unusual handling is required when using the product for the intended use. Keep out of reach of children.

Storage: Store in a cool, dry area.

8. Exposure Controls / Personal Protection

Engineering measures: Provide adequate local exhaust ventilation.

Personal Protection Equipment (PPE)

Eye protection: Wear dust goggles.

Hand protection: Wear gloves.

Face protection: Use a mask to prevent skin contact if splash hazards exist.

Hygiene measures: Eye wash and emergency showers are recommended.

9. Physical and Chemical Properties

Appearance: Brown Viscous Liquid

Odor: Pleasantly fragranced.

pH: 6.50-7.00

Boiling point: >212°F (100°C)

Melting point: Not Applicable

Flashpoint: Not Applicable

Solubility (H₂O): Partially Insoluble

Vapour pressure: Not Applicable

Relative density: 1.000-1.050

10. Stability and Reactivity

Conditions to avoid: None. Product is stable under normal conditions.

Materials to avoid: None identified.

Hazardous decomposition products: None identified.

11. Toxicological Information

Acute toxicity: Slight. No specific information available.

Chronic toxicity: Slight. No specific information available.

12. Ecological Information

This product is not expected to be harmful to aquatic life.

13. Disposal Considerations

Waste information: Must be disposed of in accordance with federal, state and local environmental control regulations.

14. Transport Information

Material Safety Data Sheet

Date prepared: December 22, 2011

Revision: 0 (first edition)

This product is not regulated as a hazardous product by the USDOT or Canadian TDG.

15. Regulatory Information

All ingredients are listed or are excluded from listing under the US Toxic Substances Control Act (TSCA) Inventory List and the Canadian Domestic Substance List.

16. Other Information

The information herein presented makes no representation or warranties and it is based on ingredients MSDS and/or recognized technical sources. This information is believed to be accurate and it is intended solely to assist in evaluating the suitability and proper use of this product following the safety precautions and procedures. Final determination as to its suitability for health and safety purposes is the sole responsibility of the user. This information applies only to the product designated above and does not apply to its use in combination with any other materials, products, or chemical compounds.
