

# LIFE SOURCE®

1

Slide on cuff and secure comfortably.

2

Press START button. Squeeze bulb to inflate cuff.

3

Blood pressure is measured as cuff automatically deflates. Results will be displayed on the screen.

Please refer to the information on the opposite panel regarding the proper cuff sizing. Additional cuffs are available through your retailer or directly from A&D Medical at 1-888-726-9966.

Ask your retailer for other quality LifeSource products.
