

AMSINO.

MATERIAL SAFETY DATA SHEET

May be used to comply with OSHA's Hazard communication Standard 29CFR 1910.1200.

Product: Sterile Saline Solution

Company: Amsino International, Inc.
855 Towne Center Drive
Pomona, CA 91767 U.S.A.
(909)626-5888
(800) MD-AMSINO (in case of emergency)

Composition/Information on Ingredients

<u>Ingredients</u>	<u>CAS RN</u>	<u>%</u>	<u>Exposure Limits</u>
Water	N/A	N/A	N/A
Sodium Chloride	7647-14-5	0.9	N/A

Toxicology

Ingestion: Consumption of large quantities may cause gastro-intestinal irritation.
Inhalation: Physical form of product renders inhalation risk negligible.
Skin: N/A
Eye: N/A
Sensitization: Allergic skin reaction not expected.
Carcinogenicity: Sodium chloride is not a carcinogen by OSHA, NIOSH, HTP, IARC OR EPA.
Genotoxicity: Not genotoxic.

First-Aid Procedures

Ingestion: If a very large quantity has been ingested, seek medical attention.

Physical and Chemical Properties

Physical Form: Clear, colorless liquid
Odor: Odorless
Solubility in Water: Complete
Flash Point: N/A
Boiling Point: 215°F
Melting Point: N/A
Vapor Pressure (mmHg): N/A
Vapor Density (Air=1): N/A
Specific Gravity (H2O=1): 1.01
Evaporation Rate: N/A

Stability: Stable.
Decomposition: No hazardous decomposition by-products.

AMSINO.

FIRE AND EXPLOSION HAZARD DATA

Flash Point: N/A
Extinguishing Media: N/A
Special Fire Fighting Procedures: None
Unusual Fire and Explosion Hazards: None

Environmental Hazards

Fire and Explosion: Product not combustible, although packaging is combustible. Toxic, corrosive or flammable vapors might evolve from burning of product and/or packaging.

Extinguishing media: Water, carbon dioxide, foam or dry chemical recommended for fires involving packaging. If large amounts of product are burning (multiple packages/pallets), self-contained breathing apparatus and protective equipment are recommended.

Spills: Non-hazardous. Flush with water or cover with absorbent material. No specific decontamination or detoxification procedures are needed for this product.

Storage and Handling

Storage: Store in clean, dry environment. Avoid freezing and excessive heat.
No special requirements necessary for occupational hazards.

Handling: No special controls required for normal handling of product.
Good industrial practices should be followed.

Additional Information

OSHA Standard: This product is exempt from the requirements of the OSHA Hazard Communication Standard (29CFR1910.1200). It is not considered hazardous under the OSHA standard.

TSCA: This product is exempt from TSCA regulation.

The information and recommendations provided in this safety data sheet are, to the best of our knowledge, accurate as of the date of issue. Nothing herein shall be deemed as any warranty, expressed or implied. It is the responsibility of the user to determine the applicability of this information and the suitability of the material or product for any particular purpose.
