MATERIAL SAFETY
DATA SHEET

Effective Date:
01/08/09

8. Precautions for Safe Handling and Use

Handling/Storage:

Keep container closed when not in use. Avoid exposure to extreme temperatures for optimal product performance. Wash Cream is water-soluble. Spills should be wiped up to prevent slipping hazard.

9. Ecological information

Some components of the product are not biodegradable. Product is not flushable.

10. Disposal Considerations

Dispose in accordance to federal, state and local regulations.

11. Regulatory Considerations

Latex:

None of the materials used in the manufacture of the above product, including the packaging contain dry crumb rubber or natural rubber latex materials.

Ozone Depleting Substance Act:

All material contained in or associated with the manufacture of these products comply with the 1992 Amendments to the Clean Air Act; specifically, Protection of Stratospheric Ozone, 58 C.F.R. 8136 etc. Seq. (2/11/93). We are committed to purchasing only those materials that do not contain ozone-depleting substances.

California Proposition 65:

Based on evaluation of the components used in this product, this item does not contain any of the ingredients on the California Proposition 65 list.
