

CRANBERRY

UTI-Stat® A ready-to-drink medical food providing cranberry concentrate with added ingredients (vitamin C, D-Mannose, fructo-oligosaccharides (FOS), and bromelain) for urinary tract health.

Main Features

- Clinically shown in two studies to manage urinary tract infections (UTIs)*
- 5 key ingredients including cranberry in 1 fl oz serving
- Low in sugar (1 g per serving)
- Thin viscosity
- Lactose free, gluten free, and soy free
- Kosher
- For oral and enteral use under medical supervision

Directions for Use

Oral Feeding:

Take 1 fl oz (30 mL) up to two times a day as needed. Can be taken straight or mixed with any hot or cold beverage.

For Tube Feeding:

1. Flush feeding tube with 30-60 mL water
2. Measure and administer dose prescribed.
3. Administer UTI-Stat straight into the enteral tube.
4. Flush the tube with additional 30 mL water.

Precautions:

- Not a substitute for antibiotics
- This product is not intended for use as an analgesic
- Not for parenteral use

Storage:

- Store at room temperature.
- Refrigeration not necessary.
- Discard 3 months after opening.
- Record date opened on bottom of container.
- **Do Not Use If Seal Is Broken.**
