

FOUR-A-DAY WEEKLY ONE-DAY AT-A-TIME™ MEDICATION ORGANIZER - LARGE

The One-Day-At-A-Time Medication Organizer contains seven individual 1-Day Pill Reminders and a unique "snap-in" storage tray. It allows you to fill a week's medication at one time and offers the convenience of taking one day's medication with you. The individual 1-Day Pill Reminders have four compartments to cover all times of the day. Each pill reminder is printed with the day of the week and the time of the day on each compartment. The unique "snap-in" organizer tray holds each 1-Day Pill Reminder in a handy storage container. An easy to use prescription information label is included to assist you in taking the correct dosage at the right time.

Each compartment holds approximately 36 aspirin tablets.

DIRECTIONS FOR USE:

To remove the pill reminders from the tray: (a) Hold the tray in one hand. Use the other hand to push out the desired pill reminder by using the holes provided in the bottom of the tray.

To replace the pill reminders back in the tray: (b) Hold the pill reminder in your hand so the lettering is right side up. Insert the top (morning end) of the pill reminders into the tray first then press down (c) on the main body of the pill reminder until you hear the "snap".
